The university shall consider the grant of grace marks as per the following norms

1. The granting of grace marks will only be considered in both regular and ATKT end-semester examinations.
2. The granting of grace marks is applicable only if the candidate is able to pass the entire examination of the semester after such grace marks.
3. Grace marks to the extent of 1% of the aggregate/total marks of all subjects of the semester prescribed for an examination will be awarded to a candidate failing in not more than 3 theory papers, as the case may be in which minimum pass marks have been prescribed; provided the candidate passes the examination by the award of such grace marks. Such grace marks shall be split in a manner that may serve to pass the papers wherever applicable.
4. If 1% of the aggregate marks work out in fraction, the same will be raised to the next whole number. For example, if the maximum aggregate marks prescribed for the examination are 750, grace marks to the extent of 8 will be awarded to the candidate.
5. If a candidate who passes in all subjects and heads of passing in the examination without the benefit of any grace marks but misses Distinction or First Division by marks less than 1% his/her aggregate in the final examination, such grace marks shall be awarded to him/her so as to entitle him for the respective higher division, as the case may be. Such marks shall be added to the paper in which he/she gets the least marks in the final. The marks entered in the marksheet will be inclusive of such grace marks and it will not be shown separately.
6. The grace marks will be awarded only if the candidate appears in all the papers prescribed for the Regular/ATKT examination in a session. Absence of a candidate in any papers(s) that he or she has registered for the examination will make him ineligible for grace marks in the said examination.
7. Grace marks shall be awarded only to the required extent to help the candidate pass the paper/subject and not more even if the candidate has a higher limit of eligible grace marks in that examination.
8. The grace marks of candidate(s) who have completed their period of study and yet could not clear one or more papers shall be subjected to a maximum of 2% of the aggregate of the maximum marks in which he/she has altogether appeared in that examination. For example if the aggregate marks of the paper written by him are 300, the maximum eligible grace shall not exceed 6 marks, which may be split according to the need.
9. If any student gets CGPA between 4.91 to 4.99 at the end of any program (UG/PG), then grace marks (approximately 10 marks) should be given in such a way that CGPA becomes 5.0 and the students can clear the entire course.

10. The grant of grace marks shall be awarded to all credit courses.
11. The granting of grace marks as referred above will be decided by the committee composed of Provost, Registrar, Deans/Associate Deans and Controller of Examinations.
12. The committee has a right to modify/change the result of any particular subject by granting additional grace marks i.e. other than the grace marks given above to improve the results in case the total percentage of result is poor in the particular subject/course.
13. The student cannot claim the grant of grace marks as a matter of right.

GENERAL PROVISIONS

1. The President/Provost is authorized to carry out amendment/ modification in case of necessity during implementations of Grace Marks Policy and in case of any ambiguity, the interpretation of the provost/Registrar will be final.
2. If any insertion relating to any aspect relating to examination is required to be made, the same can be done with the prior approval of the president and the same would be brought to the notice of Academic Council in the next meeting.
