

**Revised ATKT Rules for
Promotion to Higher Semesters**

**GSFC University
Academic Division**

Notification No. Provost/042025/49

Date: 21.04.2025

Ref: (i) Circular No. 4796 dated 20.01.2021

Preamble:

The Passing and Promotion criteria of GSFC University were previously defined through the referenced circular. However, during the past four years of implementing the ATKT (**Allowed to Keep Terms**) Rules, several practical challenges have been observed. For example, students are required to clear all ATKTs from the first year (Semesters I and II) to qualify for promotion to Semester V. Similarly, all ATKTs from the second year (Semesters III and IV) must be cleared to be promoted to Semester VII. While the rules have played a key role in maintaining Academic Quality and Discipline, there have been few instances where students with only one or two ATKTs faced difficulties in progressing to the next semester.

In view of this, a detailed review of the existing policy was conducted, and a proposal to **Revise the ATKT Rules for Promotion to Higher Semesters** was submitted to the President of GSFC University. After careful consideration, the President has kindly approved the proposed changes.

Decision:

To enhance academic support and facilitate the smooth progression of students to higher semesters, GSFC University has **revised the requirement of clearing all subjects of specific semesters** for promotion to subsequent semesters.

The revised **Promotion Criteria** are outlined in **Annexure - I**, while the other passing and rejoining norms remain unchanged and are also reproduced in **Annexure - I** for reference. **The Revised Policy shall be effective from Academic Year 2025-26.**

**Provost
GSFC University**

To,

Students, GSFC University
Teaching and Visiting Faculties, GSFC University

CC,

President Office, GSFC University - For kind information, Please
Provost's Office, GSFC University

Department of Account & Finance
Department of Internship & Placement
Department of Administration
Department of Admission
Non-Teaching Staff, GSFC University
Select File- Dy. Registrar (I/C), GSFC University

Promotion and Passing Criteria
(Effective from Academic Year 2025-26)

Passing Criteria:

1. A minimum of 36% marks must be obtained individually in both components — (1) Mid-Semester Examination (out of 20 marks) & Continuous Evaluation (CE) (out of 40 marks) and (2) End Semester Examination (out of 40). Additionally, a student must secure at least 40% marks overall in the subject i.e. by combining both internal and external examinations.
2. A student shall be declared “Failed” in a course if they do not secure a minimum of 36% marks independently in both the Internal Assessment and the End Semester Examination, as outlined below:

Particular	Total Marks	Minimum Passing Marks
Internal: 01. Mid Sem Exam 02. Continuous Evaluation Component	60	22 (36%)
External: End Semester Exam	40	14 (36%)
Overall	100	40 (40%)

3. Students are required to appear in the End Semester Examination, even if they have secured 40% marks in their internal assessment (i.e., Mid-Semester and Continuous Evaluation Components). Failure to appear in the End Semester Examination will result in the student being declared “Fail” in the respective subject and awarded an ATKT in that subject.
4. In case a student fails in any subject—whether in the internal assessment, external assessment, or both—they will be required to appear for the ATKT examination for the entire subject, as per the announced schedule, by paying the prescribed fees in accordance with the prevailing University rules.

5. In the case of ATKT, the marks obtained in the regular examination components (i.e., Mid-Term, Continuous Evaluation Component, and End-Term) for the respective subject will not be carried forward. Only the marks secured in the ATKT examination will be considered for the declaration of the grade in that subject.
6. A minimum Cumulative Grade Point Average (CGPA) of 5.00 is required for the award of the degree.
7. The maximum duration allowed to earn the degree, including the period of withdrawal/detained (if applicable), is as follows:
 - 6 years for the 4-year UG program
 - 5 years for the 3-year UG program
 - 4 years for the 2-year PG program

Promotion Criteria:

8. At any point of time, a student can have a maximum of 4 pending backlogs.
9. Backlogs of Immediate Previous Semester will not be counted for Determination of Detention.
10. If Number of Backlogs is more than 04 (Four) then new subjects will not be allocated and the student **will be detained for one year**.
11. For Example: A student in Semester IV has 02 backlogs in Semester I, 01 backlog in Semester II, and 03 backlogs in Semester III — totalling 6 backlogs. For detention purposes, only backlogs of Semesters I and II (i.e., before the immediate previous semester) are counted, which adds up to 3. Since this is within the allowed limit, the student is not detained. However, once the student enters in Semester V, all backlogs before Semester IV will be counted. If the total backlogs exceed 4 at that point, the student will be detained.
12. If the students fail to clear their backlogs in additional two years after their respective program duration (including detention

period), he / she will be declared failed i.e. not entitled for any award of degree.

13. Students may be given two options to repeat the semester during detention period:
 - (a) By attending Regular Classes for pending ATKT subjects without paying any Tuition Fees **OR**
 - (b) By Self Study of the ATKT Backlogs.

However, students are advised to attend the classes of their ATKT subjects. In both the options, the student will be allowed to appear in the ATKT exam by paying necessary Examination Fees.

Re-joining Process:

14. Upon completing the one-year detention period and successfully clearing the required ATKT/Backlog Courses/Subjects, the student shall rejoin the regular semester with the current academic year's batch, following the curriculum applicable to that batch.
15. Upon rejoining, the student must fulfill all academic requirements of the respective semester in order to be eligible to appear in the regular end-semester examination.
